Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. From April 2010, a different rate of Vehicle Excise Duty will apply to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical specifications on pages 50–57, and the relevant Excise Duty is reflected in the on-the-road prices on pages 4–7.

| Band | CO ₂ emissions | First year rate (£) | Standard rate (£) |
|------|---------------------------|---------------------|-------------------|
| A | up to 100 g/km | 0.00 | 0.00 |
| B | 101 to 110 g/km | 0.00 | 20.00 |
